ABOUT US

Owned and operated today by the second generation of the MacDonnell family, Round Pond Estate is a respected ultra premium Cabernet Sauvignon producer specializing in the creation of pure, expressive wines, artisan foods and unforgettable experiences — all from the heart of Napa Valley.

Our family has been growing some of the finest wine grapes in Napa Valley's acclaimed Rutherford region for over 40 years. Home to world-renowned American vineyards and some of the most coveted Cabernet Sauvignon fruit, Rutherford is widely recognized as one of the great viticultural regions of the world. Over the years, we have cultivated a nurturing and sustainable relationship with our estate vineyard making our Cabernet Sauvignon prized by numerous esteemed wineries. To make our own highly-rated, handcrafted wines, we have combined two generations of wine growing experience with the same artisan attention to detail we have learned are essential parts of crafting world-class olive oils and red wine vinegars. Our goal is simple — by remaining true to time honored traditions we strive to bring you the best the Napa Valley has to offer.
