THE WINES

At Round Pond Estate we pay tribute to the personality of our estate vineyards by crafting wines that reflect the charm and sophistication of this extraordinary appellation. Made from select blocks of our best estate fruit, our wines embody the essence of a terroir-inspired, Californian winemaking philosophy. The three bands on the capsule depict the three generations of family currently living on the property.

BOVET RESERVE WINES

The Bovet Reserve family of wines honors matriarch Jannine MacDonnell's family who created exceptional wine in the early 1920's. We carry on this tradition with these incredibly special wines that combine this legacy with our family's 40 years of winegrowing experience in the Napa Valley. The icon on the label depicts the old wooden stamp that her grandfather used on the label of his homemade wine.

PROPRIETARY WINES

The Proprietary family of wines are comprised of unique blends and varietals sourced entirely from our Rutherford Estate. Progressively styled with balance and a dedication to expressing our terroir, these wines represent an annual "homage" to the vintage. These stunning wines are made exclusively for members and visitors of Round Pond Estate.

ESTATE WINES

A true reflection of the signature Rutherford dust, our Estate Cabernet Sauvignon embodies an old world meets new world style and is hand crafted from our Rutherford Estate and Oakville vineyards. Our Estate Sauvignon Blanc is focused on purity of fruit; it is a flip book of the varietal as it ripens on our Rutherford estate.
