WINEMAKING NOTES

The first of its kind, crafted from our late founder Bob MacDonnell's favorite block near Conn Creek, we're thrilled to showcase the terroir from this corner of our vineyard, with a well-drained seam of gravelly and sandy soils. This block produces concentrated berries that become intensely rich, structured wines that are incredibly age-wor

TASTING NOTES

This 100% Cabernet Sauvignon is effusive with aromas of blackberry, saturated cassis, graphite, black tea, and black olive tapenade. The palate is richly textured, juicy and supple with notes of black plum, boysenberry, and allspice with earthy umami notes. Strong structure supports the weighty mouthfeel and leads to a long savory finish.

VINTAGE & VITICULTURE

The 2021 vintage was marked by a second season of drought. The temperatures remained relatively mild, however the dry conditions resulted in smaller, more concentrated grapes with lighter yields and one of the earliest harvest windows to date. Our Cabernet Sauvignon and other red varieties are planted on loose, alluvial soils derived from the volcanic Vaca Mountains and our "California sprawl" trellis systems provide excellent vine balance and diverse sun exposures.
