PEOPLE

Our dad believed “people are everything,” and that philosophy still guides us today. We strive to foster a supportive, inclusive workplace and a welcoming environment for every guest who visits our estate.

PLACE

As stewards of this land, we are committed to sustainable farming and winemaking practices that preserve its beauty and vitality, ensuring it thrives for future generations to enjoy.

PURPOSE

In honor of our father, who passed away from Alzheimer’s in 2021, we proudly support efforts to end this disease and carry on his legacy through our dedication, compassion, and core values.

WINEMAKING

At Round Pond Estate, we pay tribute to the personality of our estate vineyards by crafting wines that reflect the charm and sophistication of this extraordinary appellation. Made from select blocks of our best estate fruit, our wines embody the essence of a terroir-inspired, Californian winemaking philosophy. Our 468 contiguous acre property represents 12% of all Cabernet Sauvignon grown in the Rutherford AVA and boasts that classic “Rutherford Dust.” Our world-class wines are meticulously crafted with the expertise of Consulting Winemaker Thomas Rivers Brown and Estate Winemaker Jeff Plant.
