### ABOUT LOUIS BOVET

Bovet is Co-Founder Jan MacDonnell’s maiden name, and with this wine we are honoring her grandfather Louis. His passion for home winemaking and for creating a self-sustaining estate for himself and his children inspire us every day at Round Pond Estate.

### TASTING NOTES

Concentrated aromas of savory, juicy dark fruit leap from the glass in this graceful Cabernet Sauvignon. Notes of Rhubarb, ripe plum, blackberry, and black current luxuriously spread across the palate. A touch of sweet oak spice along with clove and coffee mingle with textured, velvety tannins that are well-integrated with gentle acidity, making this an exceptional wine to enjoy now or cellar for years to come.

### WINEMAKING NOTES

The Louis Bovet Reserve Cabernet Sauvignon embodies a sharp focus on aspects of Rutherford terroir. This wine is composed from vineyard blocks which grow in gravelly and sandy soils in our Rutherford vineyard’s eastern edge. A large part of the blend comes from Block 11B where the vines grow small, intensely concentrated grapes which translate to dark fruited, structured wines. This wine is age worthy and deserving of a place of honor in your cellar and on your table.

### VINTAGE & VITICULTURE

The 2022 vintage was the third in a string of drought years. Despite the drought, there was well-timed Spring rain that boosted the vines’ vigor allowing for nicely established canopies for both shade and photosynthesis. The weather remained relatively mild and even, with routine fog patterns cooling nighttime and morning temperatures. At Labor Day, a significant heat wave impacted the entire Western States. At Round Pond, we sustained some heat damage but mostly came out unscathed thanks to our healthy vine canopies and overhead sprinklers.

### VARIETAL:

100% Cabernet Sauvignon

### APPELLATION:

Rutherford, California

### WINEMAKERS:

Thomas Rivers Brown *Consulting*  
Jeff Plant *Estate*

### FERMENTATION:

20 Months, 75% New French Oak

### RELEASE DATE:

November 2025

### ALCOHOL:

14.8%

**SRP: \$128.00**
